Dear Director:

RE: CLIA #23D0368619

The purpose of this letter is to verify that the laboratory located at the above listed address has a current, valid Certificate of Accreditation. The certificate became effective on February 28, 2021 and will expire on February 27, 2023.

This letter is sent due the fact that Clinical Laboratory Improvement Amendments (CLIA) certificates are not reissued for regular certificate changes (i.e. demographics, ownership, or laboratory director) or misplaced certificates. This letter is proof that the above stated entity continues to participate in the CLIA program. You will receive a new certificate from Centers for Medicare and Medicaid Services (CMS) at the time of your next renewal.

Please contact this office at (517) 241-2648 should you have further questions. For additional information about CLIA topics, please go to: <http://www.cms.hhs.gov/clia>.

Sincerely,

A handwritten signature in black ink that reads "Jessica Harback".
