

Hematology Pathologist Consult (*Revision)

Effective Date: Immediately

A Hematology Pathologist Consult includes CBC with Differential, Reticulocyte Count, and Pathologist Consultation. Placing orders correctly helps to ensure each component included is completed.

When ordering a Hematology Pathologist Consult, please use the following order codes:

EPIC Users: O139820 (outpatient) **or** O137869 (inpatient)

Non-Epic Users: LAB8502 **and** LAB6724 (both orders must be placed)

If you have questions, please contact Client Services:

- Farmington Hills, Grosse Pointe, Royal Oak and Troy: 1-800-551-0488, option 5
- Dearborn, Taylor, Trenton and Wayne: 1-800-245-3725, option 1
