

Duplicate Type and Screen BPA in EPIC

Effective Date: June 18, 2021

The duplicate type and screen BPA (example below) is in place through EPIC as a patient safety initiative.

1. If your patient had a type and screen ordered within 72 hours prior, you will not be able to place a new order.
 - If a new order is needed due to a wristband change, please call Blood Bank.
 2. If the patient’s current specimen is mislabeled and needs to be re-collected, Blood Bank will place this new order and notify the nurse.
- If you have questions, please contact your Beaumont Laboratory Customer Service Department:
- Farmington Hills, Grosse Pointe, Royal Oak and Troy: 800-551-0488 or 248-551-1155, Option 5
 - Dearborn, Taylor, Trenton and Wayne: 800-245-3725, Option 1
