

### SARS-CoV-2 (COVID-19) by NAA, MICRO - Discontinued

Effective Date: Various

The rapid Xpert Xpress SARS-CoV-2 standalone test for hospitalized patients has been discontinued by the manufacturer. Beaumont Laboratory has procured a small excess supply of these test reagents and will continue to offer a rapid SARS-CoV-2 standalone test until reagents are no longer available at each campus. Once the test supply is depleted, the only rapid SARS-CoV-2 testing available will be bundled with influenza or influenza/RSV. See below for alternative ordering options.
