

### Glucose Reference Range Change

**Effective Date: January 9, 2024**

Effective January 9, 2024, the lower reference range for blood glucose will be changed from 60 mg/dL to 70 mg/dL for all tests. This is in accordance with the universal definition of hypoglycemia and aligns with the recommended guidelines for initiating hypoglycemia protocol.

If you have questions, please contact your Beaumont Laboratory Customer Service Department:

Farmington Hills, Grosse Pointe, Royal Oak, and Troy: 800-551-0488 or 248-551-1155, Option 5

Dearborn, Taylor, Trenton, and Wayne: 800-245-3725, Option 1
