

BEAUMONT LABORATORY

Anatomic & Clinical Pathology

PHYSICIAN BIOGRAPHIES

Beaumont

Barbara S. Ducatman, M.D.

*Chief, Pathology Service Line, Beaumont Health
Chair, Pathology and Laboratory Medicine, Royal Oak
Chair, Department of Pathology and Laboratory Medicine,
Oakland University William Beaumont School of Medicine
Physician Executive, Pathology, Beaumont Medical Group*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Cytopathology, American Board of Pathology

Osama Alassi, M.D.

*Surgical Pathologist and Cytopathologist, Royal Oak
Diagnostic Lead, Breast Pathology
Program Director, Cytopathology Fellowship
Assistant Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Cytopathology,
American Board of Pathology

Special interests

- Breast pathology,
thyroid and endocrine pathology

Kurt D. Bernacki, M.D.

*System Medical Director, Surgical Pathology
Beaumont Health
Diagnostic Lead, Pulmonary Tumor Pathology
Assistant Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Cytopathology,
American Board of Pathology

Additional fellowship training

- Surgical Pathology

Mitul Amin, M.D.

*Chief, Anatomic Pathology, Beaumont Health
Chief, Anatomic Pathology, Royal Oak
Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Additional fellowship training

- Surgical Pathology

Special interests

- Breast pathology, genitourinary pathology,
gastrointestinal pathology

Geetha Bhandarkar, M.D.

Cytopathologist, Dearborn

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Cytopathology,
American Board of Pathology

Ann Marie Blenc, M.D.

*System Medical Director, Hematopathology
Beaumont Health*

*Course Director, School of Medical
Laboratory Science*

*Associate Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Hematopathology,
American Board of Pathology

M. Jawwad Arshad, M.D.

*Chief, Anatomic Pathology, Trenton, Taylor, Wayne
Hematopathologist, Dearborn
Medical Director, Canton Lab*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

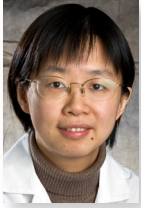

- Hematopathology,
American Board of Pathology

Additional fellowship training

- Oncologic Surgical Pathology

Special interests

- Laboratory Management, Breast Pathology

Leilei Chen, M.D.

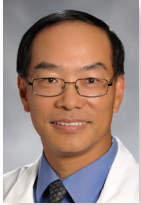

*Surgical Pathologist, Hematopathologist, Troy
Associate Professor, Department of Pathology and
Laboratory Medicine, Oakland University William
Beaumont School of Medicine*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Hematopathology,
American Board of Pathology

Mark Chen, M.D.

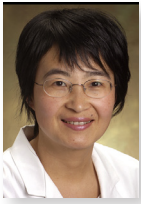

Surgical Pathologist, Trenton

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Additional fellowship training

- Pediatric Pathology

Xia Chen, M.D.

*Hematopathologist, Troy
Diagnostic Lead, Breast Pathology*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Hematopathology,
American Board of Pathology

Special Interest

- Breast pathology

Nancy Corpuz, M.D.

*Cytopathologist, Troy
Assistant Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Cytopathology,
American Board of Pathology

Susan Daraiseh, Ph.D.

Technical Director, Molecular Pathology, Royal Oak

Kliment Donev, M.D.

*Surgical Pathologist, Royal Oak
Diagnostic Lead, Neuropathology
Associate Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Neuropathology,
American Board of Pathology

Vonda K. Douglas-Nikitin, M.D.

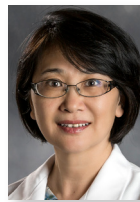

*System Medical Director, Flow Cytometry,
Beaumont Health
Fellowship Medical Director, Hematopathology
Program Director, Hematopathology Fellowship
Associate Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Hematopathology,
American Board of Pathology

Jining Feng, M.D., Ph.D.

*System Medical Director, Cytopathology
Diagnostic Lead, Genitourinary Pathology
Associate Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Cytopathology,
American Board of Pathology

Thomas Fennell, M.D.

*Hematopathologist, Royal Oak
Associate Residency Program Director
Assistant Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Hematopathology,
American Board of Pathology

Craig Fletcher, M.D.

*System Medical Director, Blood Bank,
Beaumont Health*

*Medical Director, Blood Bank, Royal Oak,
Farmington Hills*

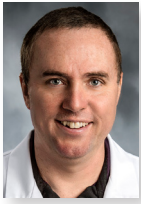

*Assistant Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

- Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Blood Banking and Transfusion Medicine,
American Board of Pathology

Joseph Fullmer, M.D., Ph.D.

Surgical Pathologist, Royal Oak

*System Medical Director, Autopsy,
Beaumont Health*

*Assistant Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

- Anatomic Pathology,
American Board of Pathology

Subspecialty board certification

- Neuropathology,
American Board of Pathology

Alex J. Green, M.D.

Surgical Pathologist, Farmington Hills

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Special interests

- Gastrointestinal Pathology

Said Hafez-Khayyata, M.D.

Cytopathologist, Dearborn

Diagnostic Lead, Pulmonary

*Assistant Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Cytopathology,
American Board of Pathology

Special interest

- Lung Pathology

Aparna Hariharan, M.D.

Cytopathologist, Grosse Pointe

Board certification

- Hematopathology,
American Board of Pathology

Sylvia Hayek, M.D.

Cytopathologist, Dearborn

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Cytopathology,
American Board of Pathology

James Huang, M.D.

Hematopathologist, Royal Oak

Associate Medical Director, Flow Cytometry

*Associate Professor, Department of Pathology
and Laboratory Medicine, Oakland University*

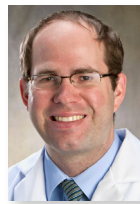

William Beaumont School of Medicine

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Hematopathology,
American Board of Pathology

Christopher Hysell, M.D.

Surgical Pathologist, Royal Oak

Medical Director, Immunohistochemistry

Diagnostic Lead, Soft Tissue, Bone

*Associate Professor, Department of Pathology
and Laboratory Medicine, Oakland University*

William Beaumont School of Medicine

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Cytopathology,
American Board of Pathology

Special interest

- Soft tissue and bone

Kausar J. Jabbar, M.D.

Surgical and Molecular Pathologist, Royal Oak

*Associate Medical Director, Molecular Pathology,
Beaumont Health*

*Assistant Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Hematopathology,
American Board of Pathology

- Molecular Genetic Pathology,
American Board of Pathology

Additional fellowship training

- Cancer Bio Marker (Gastrointestinal Pathology)

Ryan Johnson, M.D.

*Associate Medical Director, Blood Bank
Medical Director, Blood Bank, Troy and Grosse Pointe
Associate System Medical Director, Blood Bank
and Transfusion Medicine
Assistant Professor, Oakland University
William Beaumont School of Medicine*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Blood Banking and Transfusion Medicine,
American Board of Pathology

Hassan D. Kanaan, M.D.

*Surgical Pathologist, Royal Oak
Diagnostic Lead, Head and Neck Pathology
Assistant Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Additional fellowship training

- Immunopathology

Special interest

- Renal Pathology

Nafisa Kapadia, M.D.

*Surgical Pathologist and Cytopathologist,
Farmington Hills*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Timothy Kennedy, M.D.

*Medical Director, Beaumont Health
(Point-of-Care Testing, Chemistry, Send Outs)
Assistant Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Chemical Pathology,
American Board of Pathology

Additional fellowship training

- Cellular Pathology

Neelam Kumar, M.D., MMM

Cytopathologist, Wayne

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Cytopathology,
American Board of Pathology

Special Interest

- Quality, Gastrointestinal Pathology

Tomi Jo Kuntzman, D.O.

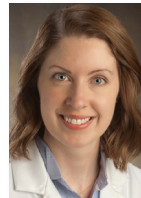

*Diagnostic Lead, Cytopathology, Royal Oak
Surgical Pathologist and Cytopathologist
Associate Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Cytopathology,
American Board of Pathology

Colleen Lamb, M.D.

*Surgical Pathologist, Royal Oak
Diagnostic Lead, GYN Pathology
Assistant Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Additional fellowship training

- Gynecologic and Genitourinary Pathology

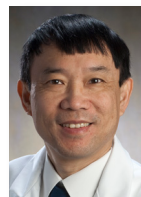

Elly Landolfi, M.D.

*Cytopathologist, Grosse Pointe
Assistant Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Board Certification

- Cytopathology,
American Board of Pathology
- Hematopathology,
American Board of Pathology
- Transfusion Medicine,
American Board of Pathology

Wei Li, M.D., Ph.D.

*Surgical Pathologist, Royal Oak
Diagnostic Lead, Gastrointestinal
Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

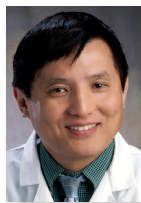

- Anatomic and Clinical Pathology,
American Board of Pathology

Additional fellowship training

- Surgical Pathology

Special interests

- Gastrointestinal, liver and renal pathology

James Liu, M.D.

*Cytopathologist, Troy
Associate Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Cytopathology,
American Board of Pathology

Special interests

- Gastrointestinal, liver, and pancreas pathology,
cytopathology of pancreas (EUS-FNA)

Jacqueline Macknis, M.D.

*Surgical Pathologist, Royal Oak
Diagnostic Lead, Pediatric and Placental Pathology
Program Director, Pathology Residency Program
Associate Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Pediatric Pathology,
American Board of Pathology

Gabriel Maine, Ph.D.

*System Director, Histocompatibility,
Beaumont Health
Technical Director, Immunology, Royal Oak
Associate Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

- American Board of Histocompatibility
and Immunogenetics
- American Board of Medical Laboratory
Immunology

Mark Micale, Ph.D., FACMG

*Director, Clinical Cytogenetics Laboratory,
Beaumont Health
Associate Professor, Department of Pathology
and Laboratory
Director, Medical Genetics /Genomic Medicine
elective, Oakland University William Beaumont
School of Medicine*

Board certification

- Clinical Cytogenetics, Clinical Molecular Genetics,
American Board of Medical Genetics & Genomics

Special interests

- Cancer cytogenetics, array-based
cytogenomic analysis

Peter Millward, M.D.

*Chief of Clinical Pathology, Beaumont Health
Chief of Clinical Pathology, Royal Oak
Associate Medical Director, Blood Bank and
Transfusion Medicine, Beaumont Health*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Blood Banking and Transfusion Medicine,
American Board of Pathology

Daniel Ortiz, PhD

Associate Director, Microbiology, Royal Oak

Vaishali Pansare, M.D.

*Chief of Pathology, Troy and Grosse Pointe
System Medical Director, Beaumont Laboratory
Outreach Services
Associate Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

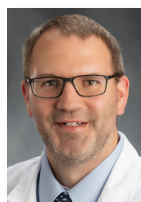

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Cytopathology,
American Board of Pathology

Special interests

- Laboratory management, gynecologic and
genitourinary pathology

J. Troy Powers, M.D.

*Chief of Pathology, Dearborn
Associate Medical Director, Blood Bank and
Transfusion Medicine, Beaumont Health
Associate Medical Director, Blood Bank, Dearborn*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Blood Banking and Transfusion,
American Board of Pathology

John C. Pui, M.D.

*Chief of Pathology, Farmington Hills
Surgical Pathologist and Dermatopathologist,
Farmington Hills*

Board certification

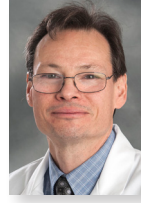

- Anatomic and clinical pathology,
American Board of Pathology

Subspecialty board certification

- Dermatopathology,
American Board of Pathology

Additional fellowship training

- Genitourinary Pathology
Oncologic Pathology

Erich J. Schwartz, M.D., Ph.D.

*Surgical Pathologist and Cytopathologist,
Farmington Hills*

Board certification

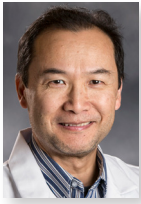

- Anatomic Pathology,
American Board of Pathology

Subspecialty board certification

- Cytopathology,
American Board of Pathology
- Hematopathology,
American Board of Pathology

Additional fellowship training

- Immunohistochemistry

Zhenhong Qu, M.D., Ph.D.

*Surgical Pathologist, Royal Oak
Diagnostic Lead, Liver and Pancreas Pathology
Professor, Department of Pathology and Laboratory
Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

- Anatomic Pathology,
American Board of Pathology

Postdoctoral training

- Cell and Molecular Biopsy

Special interests

- Gastrointestinal, Liver, Pancreas, and Liver
- Transplant Pathology, Immunohistochemistry,
and Medical Informatics

John D. Schwartz, M.D.

*Medical Director, Molecular Advanced Diagnostics,
Royal Oak*

*Surgical and Molecular Pathologist, Royal Oak
Assistant Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Molecular Genetic Pathology,
American Board of Pathology

Additional fellowship training

- Oncologic and surgical pathology

Taher Reza Kermanshahi, M.D.

*Surgical Pathologist, Dearborn
Gastrointestinal and Liver Pathologist*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Additional fellowship training

- Gastrointestinal and Liver Pathology

Masood Siddiqui, M.D.

*Vice Chief, Pathology, Troy
Surgical Pathologist and Cytopathologist, Troy
Associate Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Cytopathology,
American Board of Pathology

Additional fellowship training

- Surgical Pathology
• Breast Pathology

Barbara Robinson-Dunn, Ph.D.

*System Director, Microbiology, Beaumont Health
Professor, Department of Pathology and Laboratory
Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

- Diplomate, Clinical and Public Health Microbiology,
American Board of Medical Microbiology
- Fellow with the American Board
of Medical Microbiology

Special interests

- Laboratory detection of emerging infectious
diseases, antimicrobial susceptibility testing,
fungal and mycobacterial diseases

Marc D. Smith, M.D.

*Hematopathologist, Royal Oak
System Medical Director, Coagulation,
Beaumont Health*

*Associate Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine*

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Hematopathology,
American Board of Pathology

Anjana Soman, M.D.

Cytopathologist, Dearborn

Board certification

- Anatomic Pathology,
American Board of Pathology

Subspecialty board certification

- Cytopathology, American Board of Pathology

Special interest

- Breast Pathology

Qian (Katie) Sun, Ph.D.

Clinical Chemist, Royal Oak

Technical Director, Automated Chemistry

*Assistant Professor, Department of Pathology
and Laboratory Medicine, Oakland University*

William Beaumont School of Medicine

Uma Sundram, M.D., Ph.D.

Dermatopathologist, Royal Oak

Diagnostic Lead, Dermatopathology

*Professor, Department of Pathology
and Laboratory Medicine, Oakland University*

William Beaumont School of Medicine

Board Certification

- Anatomic Pathology,
American Board of Pathology

Subspecialty board certification

- Dermatopathology,
American Board of Pathology

Additional fellowship training

- Surgical Pathology

Elizabeth Sykes, M.D.

*System Medical Director, Chemistry,
Beaumont Health*

*Professor, Department of Pathology
and Laboratory Medicine, Oakland University*

William Beaumont School of Medicine

Program Director, Chemical Pathology

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Chemical Pathology,
American Board of Pathology

Abir Tawil, M.D.

Cytopathologist, Dearborn

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Cytopathology,
American Board of Pathology

Additional fellowship training

- Oncologic Surgical Pathology

Special Interest

- Breast Pathology

Maria Thomas, M.D.

Vice Chief, Pathology, Dearborn

Cytopathologist, Dearborn

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Cytopathology,
American Board of Pathology

Steven M. Truscott, Ph.D.

*Technical Director, Special Testing, STAT Lab,
Point of Care, Royal Oak*

*Assistant Professor, Department of Pathology
and Laboratory Medicine, Oakland University*

William Beaumont School of Medicine

Board certification

- American Board of Clinical Chemistry

Special interests

- Liquid chromatography, mass spectrometry

Alison Uzieblo, M.D.

Dermatopathologist, Royal Oak

Medical Director, Histotechnology School

*Associate Professor, Department of Pathology
and Laboratory Medicine, Oakland University*

William Beaumont School of Medicine

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Dermatopathology,
American Board of Pathology

Additional fellowship training

- Surgical Pathology

Laura Walters, M.D., Ph.D.

Diagnostic Lead, GYN Pathology

Surgical Pathologist, Troy

*Assistant Professor, Department of Pathology
and Laboratory Medicine, Oakland University*

William Beaumont School of Medicine

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Additional fellowship training

- Breast and Gynecologic Surgical Pathology

Dan Wang, Ph.D.

Clinical Chemist, Royal Oak

Technical Director, Toxicology, Beaumont Health

*Assistant Professor, Department of Pathology
and Laboratory Medicine, Oakland University*

William Beaumont School of Medicine

ANATOMIC & CLINICAL PATHOLOGY

Elizabeth Wey, M.D.

Hematopathologist, Royal Oak
Assistant Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Hematopathology,
American Board of Pathology

Additional fellowship training

- Surgical Pathology

Wendy Wiesend, M.D.

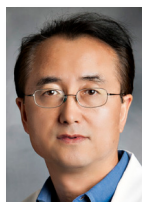

Surgical Pathologist and Cytopathologist, Royal Oak
Chief, Pathology Laboratory,
West Bloomfield Breast Care Center
Diagnostic Lead, Endocrine/CV
Assistant Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine
Clerkship Director, Pathology

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Cytopathology,
American Board of Pathology

Ming Xie, M.D.

Hematopathologist, Troy
Associate Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine

Board certification

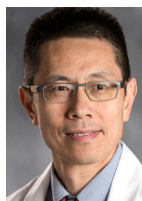

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Hematopathology,
American Board of Pathology

Special interest

- Genitourinary pathology

Limin Yu, M.D.

Dermatopathologist, Royal Oak
System Medical Director, Clinical Informatics,
Beaumont Health
Assistant Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine

Board certification

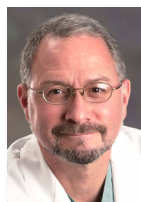

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Dermatopathology,
American Board of Pathology

Special interest

- Pathology Informatics

Ralph Zade, Jr., M.D.

Surgical Pathologist, Troy

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Chemical Pathology,
American Board of Pathology

Special interest

- Lung Pathology

Syed Zaidi, M.D.

Hematopathologist, Dearborn

Board certification

- Anatomic Pathology,
American Board of Pathology

Subspecialty board certification

- Hematopathology,
American Board of Pathology

Julie Zenger-Hain, Ph.D. FACMG

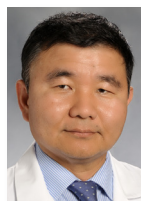

Co-Director, Clinical Cytogenetics, Beaumont Health

Board Certification

- Clinical Cytogenetics and PhD Medical Genetics,
American Board of Medical Genetics and Genomics

Special interests

- Prenatal/reproductive and cancer cytogenetics
- Risk assessment and genetic counseling

Harry Zhang, M.D., Ph.D.

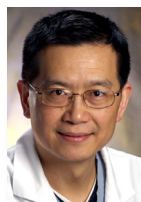

Hematopathologist, Wayne

Board certification

- Anatomic and Clinical Pathology,
American Board of Pathology

Subspecialty board certification

- Hematopathology,
American Board of Pathology

Ping Zhang, M.D., Ph.D.

Medical Director, Electron Microscopy Laboratory

Diagnostic Lead, Nephropathology

Professor, Department of Pathology
and Laboratory Medicine, Oakland University
William Beaumont School of Medicine

Board certification

- Anatomic Pathology,
American Board of Pathology

Additional fellowship training

- Renal Pathology
