

Beaumont Laboratory-COVID-19 Collection Sites

Beaumont Laboratory COVID-19 collection sites

Effective Nov. 9, Beaumont Laboratory will have three COVID-19 specimen collection sites open Monday-Friday, 8 a.m. to 4 p.m. We no longer require patients to schedule an appointment but they must have an order and be symptomatic. This is not a screening site.

- **Canton Medical Center**, 7300 N. Canton Rd., Canton MI 48187
Trailer drive through service in NW parking lot.
- **Southgate Medical Center**, 15777 Northline Rd., Southgate, MI 48195
Trailer drive through service in NE parking lot.
- **Sterling Heights Beaumont Medical Park**, 44250 Dequindre Rd, Sterling Heights, MI 48314
Trailer drive through service - (across the street from Troy Hospital)

To access these sites please provide the following:

- This is not a screening test. Testing for symptomatic patients suspected of having COVID-19. Please order [SARS-CoV-2 \(CoVID-19\) by NAA](#)- test code COV2R (LAB7913).
- Patients will be registered and instructed on an observed self-collected nasal swab.
- PCR testing will be performed in the Royal Oak Lab.
- Patients will need a paper or electronic order from a physician.
- Patients must schedule a collection time at www.beaumontlaboratory.com.
- Patients will not have to leave their cars.

Results should be available within 48 hours dependent on test volume.
